BOARD BILL 2.132: An Act to Hire Mithun Manjunath as Frontend Developer for the 2025-2026 Academic Year

WHEREAS: Mithun brings over a decade of experience in product development, technical architecture, and software design, including hands-on coding with JavaScript and interface development—skills that directly align with the ASUW Frontend Developer’s responsibility to maintain and enhance ASUW’s website and improve overall user experience; and,

WHEREAS: Mithun has extensive experience running user-centric product design processes, using tools like Hotjar, Google Analytics, and Figma to conduct usability research, iterate on design, and drive data-informed improvements—methods essential for conducting user testing and improving ASUW’s website accessibility and performance; and,

WHEREAS: Through his leadership of cross-functional teams across startups and high-growth environments, Mithun has successfully collaborated with engineers, designers, and stakeholders across global time zones, showcasing the communication and coordination skills needed to work with ASUW’s Technologies Administrator and Communications Office; and,

WHEREAS: Mithun approaches development with a strategic mindset, a user-first philosophy, and a proven ability to execute across technical and design domains, making him exceptionally well-suited to advance ASUW’s digital presence, ensure smooth functionality of internal tools, and contribute to an accessible, inclusive, and high-performing web ecosystem.

THEREFORE, BE IT ENACTED BY THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON BOARD OF DIRECTORS

THAT: Mithun Manjunath be hired as a Frontend Developer for the 2025-2026 Academic Year; and,

THAT: A copy of this bill be forwarded to Mithun Manjunath, Frontend Developer, and Christina Coop, SAO Advisor.
