## NEW BUSINESS

### DISCUSSION ITEMS

#### 1. Hiring Committee Info

**Owen** discusses the hiring timeline for the upcoming year, explaining that changes will be made once the budget is officially passed. He explains that hirings ended up being pushed back, but Office Coordinator hirings will happen later this week and homework for committee members is to list their availability in the chat and find a good time to shadow one of the hirings.

He explains that whenever the budget is passed, he will update the personnel committee with the new hiring schedule. There are many anticipated updates to the budget will potentially restructure and shift roles and descriptions, so the previous hiring schedule won't be used anymore.

The four coordinator roles will proceed and committee members will be participating in them for the first time. He advises everyone to attend the Board Coordinator hiring to observe and shadow.

**Sonal** explains that things will be stalled a bit since the budget needs to be approved. Also tells people to be prepared for changes.

**Owen** says that any major Job Description changes will go through personnel committee at later meetings, but for today it is a shorter meeting.
