RDR and Bike shop interviews have been mostly completed. Owen explains that he has a few more board bills to complete. RDR is coming along as it is in the process.

-Chairing Assignments

Most committee members are in the middle of completing hirings, so Owen will wait until next week to assign more.

-New Committee Members

Many new people applied to the Personnel Committee and there will be three new members, they are going to get approved by board tomorrow.

Next week, **Owen** asks everyone to come in person for helping with training new members of the committee. He explains that hirings will ramp up over the next few weeks.

Owen explains that new committee members will join the hirings of people who have already chaired to get some exposure. He is also making adjustments to the hiring schedule, and asks that deadlines be met as reports will start next week.
